Re: Notice of Oral Ex Parte Communication, In the Matter of Review of the Section 251 Unbundling Obligations of Incumbent Local Exchange Carriers, CC Docket Nos. 01-338, 96-98 and 98-147

Dear Ms. Dortch:

On Friday, September 6, 2002, Sal Abbasi, C. Michael Pfau, Richard Clarke, Joel Lubin, Richard Rubin and the undersigned, all representing AT&T, met with Ed Thomas of the FCC's Office of Engineering and Technology. The purpose of the meeting was to discuss AT&T's Electronic Loop Provisioning proposal as presented in comments filed by AT&T in the above-referenced proceeding and discussed in more detail in the presentation filed in this proceeding by ex parte dated August 8, which was the basis for Friday's meeting as well. All comments made at the meeting were consistent with AT&T's previously filed comments and presentation materials.

Consistent with Commission rules, I am filing one electronic copy of this notice and request that you place it in the record of the above-referenced proceedings.

Sincerely,

Joan Marsh
